

Hepatitis Foundational International

2013 VIRAL HEPATITIS SUMMITS

Share information about your goods and services with individuals concerned about viral hepatitis by exhibiting at the **Hepatitis Foundation International 2013 Viral Hepatitis Summits.**

These Summits target healthcare practitioners, nurses, physicians, nurse practitioners, physician assistants, pharmacists, public health professionals, social workers and counselors to improve the identification and management of hepatitis patients. HFI is recognized for offering high value for its conference participants and exhibitors. HFI offers you the opportunity to raise the visibility of your company and reach key healthcare professionals and others working with those affected by viral hepatitis.

FEES (Exhibitors will receive a draped exhibit table measuring 6'x 30'', two chairs and one complimentary registration.)

- Corporate exhibit rates: \$1,000.00
- Non-profits and community agencies- discounted exhibit rate: \$ 350.00
